

1. General

1.1. These General Terms of Offer and Sale (hereinafter referred to as General Terms) are binding if they have been declared applicable in the offer (also called "quotation") or confirmation of order. Any other terms defined by the customer or in other documents are only valid if they have been expressly accepted by SET Corporation («SET») in writing or electronically.

These general terms expressly limit acceptance to its terms and cancel and supersede any additional or different terms in customer's documents so as to preclude the inclusion of any different or additional terms in any resulting contract. If these general terms are construed as an acceptance or as a confirmation of an existing contract, such acceptance or confirmation is expressly conditioned on customer's assent to any additional or different terms contained herein.

1.2. All quotations are valid for 30 days from date of quote, unless «SET» states otherwise in writing.

1.3. Only the written or electronic confirmation of order is binding. If «SET» does not give a confirmation of order the invoice shall serve as the confirmation of order.

1.4. If any one or more of the provisions of these General Terms or any part or parts thereof shall be declared or adjudged to be illegal, invalid or unenforceable under any applicable law, such illegality, invalidity or unenforceability shall not vitiate the remainder of these General Terms and the illegal, invalid or unenforceable provision shall be replaced by a new provision the content of which shall be as close to the legal and economic effect of the replaced provision as possible.

8.2. No interest will be reimbursed for advance payments.

8.3. Any dates agreed for payment shall remain in full effect even where through no fault of «SET» delays arise in the performance of the contract.
